

STRAIGHT

Paolo Rizzato

Shelving system. Conceived to fit any ambience as it may be widened or heightened to take up a whole wall or form a wall with single or double aspect to use at home or in public places. **The bookcase may be fastened to the wall or it can be a standalone unit** (with metal base and adjustable feet).

Powder coated extruded aluminium frame available in two heights; for the self standing version 140 and 208,5 cm and for the wall version 131 and 199,5 cm.

Lacquered MDF shelves available in three different depths cm 20, 30, or 40 and three different widths cm 90, 120, or 150. Possibility to assemble shelves of different widths on the same frame.

Die-casting supporting element to connect the shelves allows for the most complete expansion possible from the typological and distribution standpoint. Registered model.
